7th Annual Golf Tournament

This year's golf outing took place on June 8th at Woodland Hills beautiful golf course in Eagle, NE. It was a gorgeous day, we were lucky to get this in before the big heat wave! I think it is safe to say everyone had a good time.

A big THANK YOU to our sponsors for the golf outing:

Lunch Sponsor

Sampson Construction

Hole Sponsors

Midland Mechanical

Specialized Engineering Solutions

Water Engineering

Capital Performance Management

We are working on a location for the 2013 golf outing and are thinking about having it the day before the Trade Show in early May.

And the Winners are...

President's Corner

Dear NSHE Member,

The NSHE has been busy this year, and we have been discussing different ways to improve our organization. Some of the ideas are to develop committees to take over the areas we need to improve on, such as growing our membership; offering educational programs to advance the development of our members; recognition for the achievements of our members, the list goes on. Towards the end of the year we will be asking for committee chair persons and members to move us into the future.

Please help us get there.

In July I attended the ASHE 2012 Annual Conference in San Antonio, TX. Last year was my first time attending and it was good, but this year was great! I strongly encourage everyone to join ASHE and put it into your budget to attend next year's conference in Atlanta July 21 –24.

We have a couple of board members who will be completing their terms this year so we will be seeking nominations to fill those spots at our Oct 17 business meeting in Lincoln. Start thinking of who you would like to see on the Board of Directors! There will be one vendor position and one hospital position.

Sincerely,

Larry Proschkocil
